

English language tests accepted by the Guildhall School

Please note this list is for **guidance purposes only**. We reserve the right to request an external English test from any prospective student. This is to ensure that students' English skills meet the required standard to access their chosen programme of study.

Applicants may be required to complete assessments as a condition of an offer. If you have taken one of these tests but your results certificate is dated more than two years before the start of the course, **it will not be accepted**.

If you are offered a place with an English language test as a condition of entry, **you must submit your test results by the deadline stated or your offer may be withdrawn**. Test results can often take several weeks to be released, so you must plan and book your test well in advance.
