

Guildhall Artist Masters Programme Matrix

Performance (excluding Opera), Orchestral Artistry* and Composition Pathways

**Part 1 of the Orchestral Artistry Pathway may only be studied Full Time.*

Opera Pathway

This matrix shows the routes and options available to prospective students on the Guildhall Artist Masters.

- The length of study will depend on which part of the course the student first enrolls, whether Part 1 is studied part time or full time, and whether the student chooses to be considered for progression onto Part 2.
- The final award will depend on where in the programme the student leaves either by choice or because they are unable to progress onto the next part of the programme.
- The student's final route through the programme will depend on the pathway, on how they are funding their tuition fees and whether they require a Tier 4 visa to study in the UK. When making the final decision (after an offer of a place has been accepted), this matrix should be consulted alongside other guidance.
