	Shoes	N/A	N/A	N/A	Wipe with spirt to get rid of scuff marks and re paint white

**On days things are not washed please make sure it is vodka sprayed!**

**Please make sure performers are putting their own laundry in baskets and gloves are worn when sorting washing with as little handling as possible see below the COVID protocols**

#### Costume Maintenance

Students handling costumes should wear disposable gloves

Costumes from performer's plastic bags should be emptied into the washing machine, with as little handling as possible.

Other costumes should be placed into the ozone cupboard where necessary

Costumes once ironed should be placed in the performer's plastic bag and set back in the dressing room before the performers enter for their show call

**Imogen – ozone**

**Lucy – hand-wash**

**Amy – machine wash**
