

Agatha Giannini

STAGE MANAGER

gianniniagatha@gmail.com | +39 3287810670

Florence, ITALY - London, UK

I'm a Production Arts student from Italy, with experience in various fields. My strong suits are being an excellent communicator and listener, as well as a great team player. Being open-minded and empathetic are two of the things I value the most. I am interested in Opera, contemporary circus, site specific shows and street art festivals.
