Guildhall welcomes participants from the UK and beyond to our short courses. Our course fees do not include accommodation or meals, so participants will need to arrange their own stay while attending a course. Please be aware that Guildhall cannot guarantee the availability of any rooms listed, and we recommend booking as early as possible.

We are not connected to any of the accommodation providers included in this sheet, and we are not present on site outside of scheduled teaching hours. We are therefore unable to take responsibility for participants outside class times.

London offers a wide range of accommodation, including hotels, hostels, and B&Bs, and our campus is well linked to public transport should you prefer to stay further out.

Please note that only a small number of providers in this list can accept unaccompanied under-18s, and this is indicated where applicable.
